

Chlorine drum scale base

920kg chlorine drum scale base. Connects to a range of chemical inventory systems

Rugged, galvanised weigh frame

www.trility.com.au

Standard drum weigh platform

The new generation rugged load-bars feature heavy duty cables. There are no rubber mounts, and the load-bars are installed under a purpose built, galvanised weigh frame.

The platform is suited for connection to a wide range of indicator/transmitters and inventory management systems.

Specifications

Capacity: 2000kg
Temperature tolerance: -20°C to +60°C
